

**Vanity Leg Ferrules**

---

**MJK EXPORTS IS AN HOUSE OF ALL YOUR CUSTOM, FABRICATION NEEDS.**

We also manufacture leg ferrules in different shape and sizes. Above shown is our LF-1 stainless steel tapered leg ferrule with one side in 90—degree whereas the other one in 98—degree shape.

On the underside bottom of the leg ferrule a nut—1/4” - 20 TPI provides leveling for the vanity.

Feel free to send us an inquiry for your custom sized stainless steel leg, ferrule or brass leg cap.
